**VI. Unfinished Business** – Website – Steve Hughes outlined the process that the Club should follow in order to determine just what we are looking for in a revised/updated Website.

- What information do we currently have
- What future information do we want to see on the website. We should first focus on the business side and then on the technical side and how to achieve our goals.
- How do we want the Website to look to the membership and to the public?
- Look at other websites of similar clubs – what do they have that we don't have.
- How do we want our pages to be laid out
- What do we need to encourage visitors to inquire about joining the Club?
- Once we have the business side resolved, then we can focus on the technical side (the costs, website host, etc.)
- Steve will write out some core skill requirements of what we are looking for to send out to the membership in order to establish a committee. We will be looking for members with a vision of how the website should appear (not necessarily technical skills at this point).

**VII. New Business –**

- We received an email from Sharon Shilkoff, 2025 GRCA National Specialty Chair, asking if the Club wanted to support a banner for the 2025 National Specialty for a cost of \$250. After much discussion, the Board decided against it.

The meeting was adjourned at 8:35 p.m.

Respectfully submitted,

Marian Tillman,
